### **Awards Announcement for Congress on Midwifery and Neonatal Care scheduled to be held on August 5-6, 2020 at Zurich, Switzerland**

Following the overwhelming success of our previous conferences, we are delighted to announce [6<sup>th</sup> World Congress on Midwifery and Neonatal Care](#) held during **August 5-6, 2020 at Zurich, Switzerland**.

Midwifery is the health science and health profession that deals with pregnancy, childbirth, and the postpartum period (including care of the new-born), besides sexual and reproductive health of women throughout their lives. Midwifery is a distinct profession from nursing, although there is a shortened training route for registered adult nurses. Midwives are involved during all stages of a woman's pregnancy, labour and early postnatal period. Midwives are qualified to assist with a normal vaginal delivery while more complicated deliveries are handled by a health care provider who has had further training.

The distinguished tracks are having a disperse information regarding the [Midwifery congress 2020](#) new innovations and Information Technologies. This year our event will be focusing on the global phenomenon of the possible quality inputs in Midwifery practices, if nurtured with a vintage epitome of organized administrative management of well-balanced digital nutrition , can have the power to remould the old midwifery concept into a revolution of Digital Ambassadors which can eventually restyle the whole outlook of Nursing & Healthcare Management .It is to

address Midwifery and Women's Health-related scientific communities to leap into this beautiful revolution of digital Ambassador into every aspect of Midwifery and Women's Health sector and reveal the quality digital technologies to firm up and elevate women's health before, during and after pregnancy. The aim is to explore smart management strategies planning ,implementation and its technical execution in an dynamically analytical manner , so that the midwives can facilitate themselves into a digital platform and can become role model globally with modernized concept of paediatrics IT and digital psychological counselling in hypnobirthing ,thereby giving pregnant women to experience a adventurous journey of birthing. Digital Midwives can play a crucial role in providing IT paediatric counselling & educating the women, how to put up her health and baby's health. Also, the vigorous market statistics will provide a broad approach for the attendees to explore the ideas and issues related to Health care and vide the future of midwives as delegated Digital Ambassadors. Broadly eminence speakers, the most recent frameworks, methodologies, and the most current updates are indicators of Midwifery congress 2020.

Award Criteria:

- 10 + Years of experience with achievements in the field of Neonatal Care
- With publications having good citations
- Holding strong clinical experiences
- Holding the top designations in your current working organization
- Taken part in many international conferences

##### 2. Best Discovery Award

Award Criteria:

- With a minimum of 5 year experience
- Can be from either Academic or Clinical Field
- Has been recognized for their specific recent research outcome in the past 5 years 2015 to 2020

##### 3. Young Scientists Award

Award Criteria:

- Students who are currently pursuing Master's Degree and PhD.

- Experience of less than 5 years can also send their nominations
- Can be from either Academic or Clinical Field
- Has been recognized for their specific recent research outcome in the past 5 years 2015 to 2020

#### 4. Best Speaker Award

Award Criteria:

- Clarity of presentation towards the achievement and contribution in the field of Pediatrics
- Quality of abstract scientific content
- Research objectives are mentioned
- Factual information provided
- Intelligent discussion by engaging with the audience
- Handling of questions

#### 5. Best YRF Award

Award Criteria:

- Students who are currently pursuing their education, Masters, PhD
- Clarity of presentation
- Quality of abstract scientific content in the field of Pediatrics
- Handling of questions

#### 6. Best Poster Award

Award Criteria:

- Students who are currently pursuing their education degree as Masters and Doctorate.
- Quality of abstract scientific content in the field of Pediatrics

- Visual Display of posters
- Quality of the delivery during the conference

#### Process and Recognition

Nominations to be submitted no later than May 11<sup>th</sup> 2020.

Nominees are selected by the Organizing Committee Members and reviewers of the conference.

No restrictions for the number of awards allotted for each category.

Self-nomination is also accepted.

Presentation of the award will be made at the conference dates and timings will be included in the scientific program.
