

## **Editorial Note for Hospital & Medical Management**

I am pleased to introduce Hospital & Medical Management (JHMM), Journal of Hospital & Medical Management is one of the best open access scientific journal in which the editorial office promises to peer review the submitted manuscripts to ensure quality. The journal aims to publish the most complete and reliable source of information on discoveries and current developments in the mode of a research, review, case study, short communication, perspective and commentary. Hospital Management or Healthcare management; Hospital Administration or Healthcare administration is the field relating to leadership, management, and administration of public health systems, health care systems, hospitals, and hospital networks. I am pleased to announce that, all issues of volume 5 were published online well within the time and the print issues were also brought out and dispatched within 30 days of publishing the issue online during the year of 2020.

The Journals aims to flourish and to maintain the standards in research and practice, provide platform and opportunity to present evidence based medicine and analytical assessment of research and probably it is much indeed for students, teachers and health care professionals to enhance the patient care.

During the calendar year of 2019, JHMM received a total of 30 manuscript, out of which 20 articles (70%) were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2019 around 10 articles were subjected for publication after they are accepted in the peer review process. In the 3 issues of Volume 5 published during the year 2019, a total of 10 articles were published (at an average of 3 articles per issue) of which, articles were published from authors all around the world. Globally articles have been accessed by the research scientists and also cited.

During the calendar year 2019, a total of two Editors, seven Reviewers joined the board of JHMM and contributed their valuable services towards contribution as well as publication of articles, and their valuable reviewer comments will beneficial to publish quality of article in the Journal.

I take this opportunity to acknowledge the contribution of our reviewers for their exceptional support during the peer review process and the managing editor during the final editing of

articles published and the support, in bringing out issues of JHMM in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of JHMM, the office bearers for their support in bringing out yet another volume of JHMM and look forward to their unrelenting support to bring out the Volume 6 of JHMM in scheduled time.

Stay Safe & Healthy...!

Thank you!

With kind regards,

Eric Fonberg

Associate Editor
